

# LEMURIAN Dolphin Temple Waters

*The Dolphins have been around us for eons, bringing joy and happiness to all those who come into their presence!  
They also bring magnified healing of Light & Sound, balancing our neurological & equilibrium system.*

*Because of their lightness, they carry us through Initiations, back to Oneness through the Temples within our own hearts and souls.*

*Since Lemuria, Atlantis and the fall of man, the dolphins have held great love for us and kept this pure frequency in under-ocean caverns safely, until the time of the great turning or re-turning!*

*They communicate with us through dreams, meditations and visions; each time bringing an important message to our soul, as to where we are heading, on our journey, as we pass through another doorway on our journey in life, which ultimately leads us on our path to a greater love!!*

*These sacred waters may be sprayed over your auric field whenever you wish to commune with the dolphins....Or if you are feeling like you are going through a challenging period or a time of rapid growth. It is great for people of all ages and all walks of life, especially for children, as it enhances so much joy and happiness!!*

*Laugh, sing, dance and play is dolphins message. Splash!!!*
